

FLY CALIFORNIA

## *Los Angeles to San Diego via the Inland Empire Section*

### *You are invited to a High-Speed Train I-10 Alternative Community Open House*

*Please join us to learn more about the High-Speed Train System and the I-10 Alternative*

The California High-Speed Rail Authority (CHSRA) is hosting a community open house in El Monte to provide the communities along the I-10 Freeway an opportunity to learn more about the High-Speed Train program, and specifically, the potential alternative planned along the I-10 Freeway corridor as part of the Los Angeles to San Diego via the Inland Empire Section.

Project topics will include updates on the project, proposed alternative alignments, station locations, design options and a review of the environmental process.

The I-10 Alternative Community Open House is an opportunity for residents and stakeholders to speak directly with members of the project team, ask questions and provide feedback.

Please plan on joining us on October 6, 2010.
